

# ULTIMATE SPORTS TURF PACKAGE ESTABLISHMENT

From seeding and establishment to maintenance and recovery, the **Foliar-Pak Ultimate Sports Turf Package** offers comprehensive programs designed to take the guess work out of turf management.

The **Establishment** program incorporates Foliar-Pak, Healthy Grow and Armament technologies to expedite turf establishment. This program promotes better density, rooting and turfgrass strength, advancing seedlings or sprigs from infancy to maturity faster than ever before.

## 1 SEEDING:

**Foliar-Pak® Grow-In | RATE: 9 TO 12 oz/1000**

Combines the foliar nutrients required for rapid turfgrass establishment into one jug. Foliar-Pak Grow-In expedites maturity, density, and hardness of the turfgrass stand. Protected by Armament technology, Foliar-Pak Grow-In supplies stable, plant-available nutrients essential for root growth, cell wall development, and overall turfgrass health.

**PLUS**  
GRANULAR

### **ATS 22-0-4 w/Armament®**

Contains 50% polymer sulfur coated urea (PSCU) and is coated with Armament for improved efficiency and nutrient uptake.

**RATE: 150 lbs/acre**

### **Healthy Grow® + Armament® 2-4-3**

Aerobically composted chicken manure (ACCM) infused with a biological metacatalyst that promotes beneficial microbial activity in and around the soil and plants.

**RATE: 400 lbs/acre**

**OR**

## 2 14<sup>TH</sup> DAY:

**Foliar-Pak® Grow-In | RATE: 9 TO 12 oz/1000**

Delivers a comprehensive array of foliar nutrients, beneficial components, and a biological package specifically designed to bolster low organic soils.

**PLUS**  
GRANULAR

### **ATS 16-28-12 w/Armament®**

Contains 30% polymer sulfur coated urea (PSCU) and is coated with Armament for improved efficiency and nutrient uptake.

**RATE: 150 lbs/acre**

(use if less than 70% of field has turf coverage)

### **Healthy Grow® + Armament® 10-3-2**

Organic-based blend of nutrients derived from aerobically composted chicken manure (ACCM) and ammonium sulfate plus beneficial non-plant food ingredients.

**RATE: 400 lbs/acre**

**OR**

### 3 28<sup>TH</sup> DAY:

#### Foliar-Pak<sup>®</sup> Grow-In | RATE: 9 TO 12 oz/1000

Ideal for recovery of turf damaged by biotic or abiotic stresses. Foliar-Pak Grow-In expedites maturity, density, and hardness of the turfgrass stand. Protected by Armament technology, Foliar-Pak Grow-In supplies stable, plant-available nutrients essential for root growth, cell wall development, and overall turfgrass health.

PLUS  
GRANULAR

#### Healthy Grow<sup>®</sup> + Armament<sup>®</sup> 10-3-2 | RATE: 400 lbs/acre

Organic-based blend of nutrients derived from aerobically composed chicken manure (ACCM) and ammonium sulfate plus beneficial non-plant food ingredients.

### 4 6<sup>TH</sup> WEEK:

#### Foliar-Pak<sup>®</sup> Grow-In

Ideal for recovery of turf damaged by biotic or abiotic stresses. Combines the foliar nutrients required for rapid turfgrass establishment and recovery.

RATE: 9 TO 12 oz/1000

OR

#### Foliar-Pak<sup>®</sup> Play-On

Combines the foliar nutrients necessary for maintaining turfgrass health throughout the season while providing consistent, controlled growth and long-lasting color.

RATE: 9 TO 15 oz/1000

PLUS  
GRANULAR

#### ATS 22-0-4 w/Armament<sup>®</sup> | RATE: 150 lbs/acre every 6 weeks

Contains 50% polymer sulfur coated urea (PSCU) and is coated with Armament for improved efficiency and nutrient uptake.

When turfgrass establishment is complete, refer to the **Ultimate Sports Turf Package - Maintenance** program for continued plant health and to prepare the turf for high traffic events.

This is a guideline for providing rapid sports turf establishment. All situations vary. Based on soil test results, additional Foliar-Pak products should be tank mixed with Foliar-Pak Grow-In and Foliar-Pak Play-On to address soil nutrient deficiencies.
