

THE “OH \$H*T” SPRAY

Use this spray when the condition of your turf has you shouting four letter words. Distressed turf cannot manufacture the proteins and plant hormones it needs for recovery. This spray is loaded with natural amino acids, sugars and organic acids that jump-start your turf.

Foliar-Pak® Foundation Forty | 2 - 3 oz per 1,000 sq ft

Foundation Forty is a highly concentrated blend of specific amino acids that increases plant energy, builds proteins, and improves carbohydrate storage. It also improves plant metabolism, especially photosynthesis, and enhances the uptake of other nutrients and spray tank additions.

Foliar-Pak® Grow-In | 6 oz per 1,000 sq ft

Grow-In takes the guesswork out of building a program for turfgrass establishment. It combines the foliar nutrients most necessary for rapid turfgrass establishment into one jug.

Foliar-Pak® Colonise® Bio | 3 oz per 1,000 sq ft

Colonise Bio is a highly specific blend of live biology, carbon sources, and nutrient enhancers. It contains Armament®, AminoPrecise®, and Colonise technologies to target better rooting, nutrient uptake, plant resilience, and turf playability.
