

ADAPT™

CONTAINS NON-PLANT FOOD INGREDIENT(S)

ACTIVE INGREDIENTS

Alkoxylated Polyols	90.0%
Inert Ingredients	10.0%

CONTENTS

2.5 gallons (9.46 liters)

ADAPT™

DIRECTIONS FOR USE

Adapt is formulated to address hydrophobicity and water acceptance in soils during drought periods. Adapt increases the infiltration of water into the soil and improves the length of hydration. Adapt should be applied as a preventative water management strategy. Always mix and apply Adapt in accordance with label instructions. Follow the application and mixing guidelines provided in this label.

Spray Application	Apply Adapt at a rate of 2-8 fluid ounces (59-237 mL) in a minimum of 1 gallon (3.79 L) of water per 1,000 ft ² (92.9 m ²).
Irrigation Injection	Apply Adapt at a rate of 87-349 fluid ounces (5.2 L) in a minimum of 44 gallons (167 L) of water per acre (0.40 ha).
Drench	For ornamental trees, plantings, and container pots dilute 8-16 fluid ounces of Adapt in 100 gallons (0.0625%-0.125% v/v) of water.
Seeding and Sprigging	Apply Adapt at a rate of 4 ounces (119 ml) in a minimum of 1 gallon (3.79 L) of water per 1,000 ft ² (92.9 m ²) after seeding or sprigging. Irrigate directly after application with a volume of water to sufficiently wet the seeded surface to a 1/2-inch (13 mm) depth. Volume of water needed may vary with soil type.

KEEP OUT OF REACH OF CHILDREN AND STORE MATERIALS IN CLEARLY MARKED CONTAINERS

WARNING

PRECAUTIONARY STATEMENTS

Harmful if swallowed. Causes skin irritation and serious eye irritation. If medical advice is needed, have product container or label at hand. Read label before use. Wash protective equipment and work clothes thoroughly after handling. Do not eat, drink or smoke when using this product. Wear personal protective equipment. Specific treatment is given in the First Aid section on this label or on the SDS. Dispose of contents/container to disposal plant in accordance with federal, state and local regulations.

FIRST AID

- If Swallowed:** Call a POISON CENTER/doctor or Chemtrec if person feels unwell. Rinse mouth. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless directed to do so by medical personnel. Do not give anything to an unconscious person.
- If In Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.
- If On Skin:** Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention. Treat symptomatically. Take off contaminated clothing and wash it before reuse.
- If Inhaled:** Remove person to fresh air and keep comfortable for breathing. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration. Call a POISON CENTER/doctor or Chemtrec if person feels unwell.

Do not store in temperatures below 40°F.

Note: Before buying or using this product, read the directions for use and the following conditions for sale and limitations of warranty and liability. By buying or using this product, the buyer or user, accepts the following conditions of sale. The seller of this product warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the directions for use, when the product is used in accordance with such directions for use under normal conditions.

Seller makes no warranty, express or implied, including, but not limited to, merchantability or fitness for a particular purpose. The buyers or users exclusive remedy for any injury, loss, or damage resulting from the handling or use of this product shall be limited to one of the following: direct damages not exceeding the purchase price of the product or replacement of the product. Seller shall not be liable to the buyer or user of this product for any consequential, special, or indirect damages, or damages in the nature of a penalty.
